

ZILRETTA ORDER SIZE DISCOUNT PROGRAM: Q4 2021

- Off-invoice discounts are realized at the point of sale and are based on the number of kits purchased in a single order
- Discounts are based on a WAC price of \$598.50

Current Offering

October 1st-December 31st

Tier	Order Size in Q4	Price/Kit	Discount/Kit
1	1-9 kits	\$547.50	\$51
2	10-24 kits	\$532.50	\$66
3	25-49 kits	\$517.50	\$81
4	50-99 kits	\$502.50	\$96
5	100-199 kits	\$487.50	\$111
6	200+ kits	\$477.50	\$121

Discounts will be reflected on the invoice from your specialty distributor (not as a rebate from Flexion)

See reverse side for information on the ZILRETTA Aggregate Rebate Program. Speak to your Flexion representative regarding program eligibility.*

*Certain customers (including, but not limited to, 340B and Specialty Pharmacy customers) may not be eligible for discounts.

Flexion reserves the right to discontinue its discount program without notice at any time.

Zilretta[®]
 triamcinolone acetonide extended release
 injectable suspension 32 mg

ZILRETTA AGGREGATE REBATE PROGRAM: Q4 2021

- Rebates are based on the cumulative number of kits purchased in the quarter by a clinic or group practice

Current Offering
